

Roadmap

B2 VISA Application

STEP-BY-STEP EXPLANATION TO APPLY FOR THIS TOURIST VISA

This visa allows you to stay in America for 6 consecutive months at a time and is valid for 10 years!

STEP 1

- Check if your passport is still valid for a long period of time
- Make sure you have a digital passport photo that meets the requirements
- Flight details (if known)
- Accommodation details (if still unknown, choose hotel)

STEP 2 - THE APPLICATION

- Start filling out the Online Nonimmigrant Visa Application (DS-160).
See Figure 1 - all of our personal information has been removed but must be completed in this application. We printed this summary afterwards and may not be in the same sequence as the online application. At least you have an understanding of the questions asked.

Please note!

→ All questions must be answered in English

→ We submitted our form in January, but were not able to go to the Embassy until October for the interview and receipt of the visa.

→ In the application there is a question about arrival date, departure date and address where you will be staying. We couldn't plan that 10 months ahead. We entered a date and looked up a hotel and entered those details in the application.
